

ORDER OF APPEARANCE GERMAN ARMY

Initial Set Up:

Within six hexes of Aachen or in any Scharnorhorst Line hex:

- **526th Infantry Division** (except 453rd and 473rd infantry battalions)
- **116th Panzer Division** (only one pz bn available which is -3, all motorized infantry battalions -2, mechanized inf bn -4, engineers -2)

Optionally 116th Pz Div may be set up historically within two hexes of Haaren, Verlautenheide, and/or Würselen, but not in Aachen. With this option, the division may not move on the Sept 12th turn, as its commander was anxious to let the Americans into Aachen without a fight.)

Units deployed initially in Aachen are deployed in the Aachen display map, and not on the board.
